

## Monument Fire Center this February

The schedule below is pretty firm but could change based on lack of interest for the classes. Please use the nomination form to provide me participant information.

Will need nominations from everyone, even if names were provided in previous e-mails. The most important information is a good contact number, e-mail address, and current mailing address for correspondence. Will accept nominations up to January 9<sup>th</sup>. Acceptance letters will be sent out with all pertinent class information and pre-work via e-mail after the 9<sup>th</sup>. If people need to know if they are in a class prior to the 9<sup>th</sup> for planning purposes they can call David Smallman.

Please share this with your cooperators as well and we'll accommodate everyone we can up to a 25 person class size.

S-219 Ignition Operations	February 7-8, 2017
S-200 Incident Commander Type 4	February 9-10, 2017
S-290 Intermediate Fire Behavior	February 13-17, 2017
S-230 Single Resource Boss	February 21-24, 2017

Relying on participants and sponsoring units to verify that an individual meets the pre-requisites for these classes.

Housing will be available on a case by case basis. Please call David Smallman if housing is needed. Check in to housing will be at the end of the first day of the class you are taking and check out will be the morning the last day of the class you are taking. Housing over the weekend will be available if you are taking multiple classes.

If you have any questions, please call me. I will be on leave starting December 21 and be back on January 9, so the sooner the better.
